Dear Mr. Race,

Thank you for the opportunity to service the Lake Arrowhead Property Owners Association propane needs for the upcoming 2019-2020 heating season. As the nations largest propane provider, we have the resources and vast experience to give you the utmost confidence in AmeriGas Propane.

This letter is to inform you that we have secured enough propane to cover the needs of the Lake Arrowhead Property Owners for the upcoming heating season. We have set you rate at 1.559 per gallon until July, 31, 2020. This will be a fixed price and will not fluctuate with the market. There will be no lock in fees associated with this price. This includes any customers who have bulk tanks in your association that the pipeline does not service. There are no delivery fees for these bulk customers as well. Any customers who are in an area where the pipeline services, must be hooked up to the pipeline to take advantage of these prices.

We look forward to the strong alliance that allows these great savings and satisfaction to your members and their families for another year.

Please feel free to contact me id you have any questions.

Sincerely,
