

Lake Arrowhead Property Owners Association Fence Regulations

Permits from Lake Arrowhead are required before fences or other construction projects may be built.

The deed restrictions in Lake Arrowhead regulate what types of fences may be erected, their size, and where they may be placed:

(E) Fences, walls and hedges, if any, shall be of open construction, not more than five feet in height, and shall not extend in front of the front dwelling line.

Examples of Open Fence:
